

# Summit Pediatrics Late Arrival Policy

At Summit Pediatrics, we realize your time is valuable and we make every effort to be on time for your appointment. We are unable to meet this goal, however, when appointments cannot begin on time due to late arrivals. Unfortunately, even one patient arriving late impacts the schedule for the remainder of the morning or afternoon and extends wait times for all remaining children.

**As a courtesy to all of the families we serve, patients arriving 10 minutes late will have their appointments rescheduled to the next available appointment time.**

We apologize for any inconvenience this might cause and appreciate your understanding.

With consideration,
