

IS EXCITED TO
ANNOUNCE WE ARE NOW
EQUIPPED TO PROVIDE

TELEHEALTH VISITS

We are excited about temporarily offering this service during the COVID-19 pandemic to decrease preventable exposures.

VISIT TYPES WE CAN DO:

- Rash
 - Mild cold symptoms
 - Allergy symptoms
 - Follow ups with improved symptoms
 - If not on here please call and ask
-

VISIT TYPES WE CAN NOT DO:

- Well Child Checks
 - Distressed Breathing
 - Pneumonia Concerns
 - Ear Infection Concerns
 - Strep Throat Concerns
 - Injury
 - Abdominal pain
-

Helpful things:

- Visits work best on your phone
- Log in 5-10 min before your appointment time
- We might need your assistance with examining your kiddo
- Helpful tools to have thermometer, flashlight, and scale

***It is possible at your telehealth visit your provider will need you to come in for an exam.**
